The TTCSI briefed Minister Browne on its upcoming events and its ongoing work in developing a National Services Exporters Portal, which will facilitate the export of services by providing opportunities for local services providers to be matched with regional and international clients. Minister Browne recognized the importance of the work being done by the TTCSI to grow the value of Trinidad and Tobago's exports of services and invited the TTCSI to partner with the Ministry and its Overseas Missions to promote Trinidad and Tobago services in regional and international markets.
