

## THEME: I AM CARICOM

I AM WE..

I am we, yes we, we as in one Caribbean,  
We as in one Caribbean Sea.  
We as in, though diverse, unite as one,  
Under one 1973 treaty, under one sun.

I am we, we as the unique Caribbean culture,  
Many variants of one colour.  
The colour of the islands, which emanates the essence thereof,  
The colour of humanity, the colour of love.

Sweet music, tantalizing beaches, dynamic festivals and exotic food,  
Along with kisses by the rays of warm sunlight which makes the body feel good.  
Island hopping, cricket playing, turtle watching, deep sea diving, and numerous caves to explore;  
Mountain climbing, waterfall watching, beautiful rainforests, plus so much more.

This is just a snippet of who we are, a glimpse for the rest of the world to see;  
The way we celebrate our Caribbean Community.  
So can you be one with me?  
Cause I am We..
